

MOJAVE UNIFIED SCHOOL DISTRICT

BOARD OF TRUSTEES

Dr. Larry Adams, President
Mr. George (Ted) Hodgkinson, Clerk
Mr. Andrew Parker, Member
Mr. Richard Walpole, Member
Mrs. T. "Toni" Evans, Member

BUDGET ADOPTION

2020 – 2021

WITH ESTIMATED ACTUALS

FOR 2019 – 2020

Katherine Aguirre, Ed.D., Superintendent

Daniel Sexton, Assistant Superintendent

Keith Gainey, Assistant Superintendent, Business

LOCAL CONTROL ACCOUNTABILITY PLAN 2017 - 2020

LCAP Goal # 1:

Increase the number of students working at grade level in all core content areas, and who are on track to graduate college and career ready

LCAP Goal # 2:

Increase the level of student engagement and the level of school connectedness among pupils, staff, and families

Promising Practices:

We will create and maintain a coherent system that ensures standards-aligned instruction and assessments, delivered in a positive school environment, to address the needs of all students

The Local Control and Accountability Plan (LCAP) is a three-year plan required by the State of California, which, once approved by the District's Governing Board, identifies goals and measures for student progress. The LCAP is reviewed and updated annually using data collected from local and state assessments as well as through extensive stakeholder input.

In support of this LCAP, the District Budget is also developed and reflects clear priorities for areas of improvement for our students. The areas identified for improvement have been selected based on not only state indicators, but input from parents, community members, and local data on the specific needs of our students. By all indications, the past few years have had an increase in participation from all stakeholders in developing the LCAP and I fully anticipate that participation will continue to grow and our number of stakeholder groups will increase. I expect continued progress as a result of this support and interaction.

I invite you to become familiar with LCAP and Budget. This is a public document and is available to everyone. It is approved by our five elected governing board members who represent our schools and are committed toward ensuring student success.

Sincerely,

Katherine Aguirre, Ed. D.
District Superintendent
